AUTOMATIC DOOR LOCK

CAPTURE
IMAGE

Unlock and open the door in one go

The door automatically pops up or retracts when the door is opened and closed, no need to manually lock the door, don't worry, forget to lock the door when you go out

How to choose the right lock body

◀ Measure size of strike plate and door thickness

- A** Door Thickness
- B** Width of Strike Plate
- C** Length of Strike Plate

▼ Determine the type of Strike plate

- Right angle double hole
- Right angle single hole
- Cylindrical angle double holes
- Cylindrical angle single holes
